## **INTRODUCTION**

Scottish High International School, one of the most renowned school in the New Delhi NCR region is situated in the millennium city of Gurgaon on five acres of lush green land in the heart of the city. Established in 2005, With ISO 21001:2018 by the National Accreditation Board for Education and Training (NABET), Government of India, a standard for Learning Services Management, Scottish High sustains and maintains its proud heritage of quality teaching & learning, occupational health & safety and safe environmental practices through the combined effort of the dedicated students, staff and parents.

*The School's Mission:* "The school will be a centre for excellence in education. In keeping with the rich heritage of India, it will stress on the simultaneous development of Spirit, Mind and Body and endeavour to create compassionate, responsible and innovative students committed to change and progress in the development of India and the global environment".

The School's Motto: "INTERROGO, PERCIPIO, ADICIO" which, when translated from Latin to English, reads "Question, Understand, Apply". The motto is befitting the Curriculum and Mission of the School, which endeavours to build strong foundations of the Mind, Body and Spirit by way of seeking, analysing and practicing knowledge in all facets of life for every student enrolled.

## **FACILITIES**

The School has state of the art facilities for facilitating the learning experience for this technology driven age, four buildings of the school house independent, fully equipped science, social science, math and language laboratories along with computer resource centres with an all-day internet access for teachers and students. There are two resource rooms in the Primary Wing. It also has an auditorium, five audio-visual rooms and a multi-purpose hall for hosting expert talks and inter-intra school activities for its students and staff alike for a holistic development. The teaching is supported by updated technology and use of smart boards, LCD projectors, and computers with latest software for teaching purpose.

## **LIBRARY**

The School is thoroughly equipped for the enhancement of all skills of the students therefore we have four libraries each for primary, middle, senior grade students with more than a lakh of books. Along with that, we also have a resource room for our IBDP teachers and students with books, e-resources catering to IB subject needs.

## **ACADEMIC CURRICULUM**

IB for Pre-Nursery to Class V, Cambridge Curriculum for classes VI to X, the National Curriculum (ICSE) for Class VI to X, ISC for Class XI & XII and IB Diploma Program for Class XI & XII lay a wholesome ground for students to branch out in holistic ways.

### **Pre-nursery to V: Primary year programme (PYP):**

Scottish High offers IBPYP in the Pre-Primary and Primary section. The International Baccalaureate Primary Years Programme is an educational programme managed by the International Baccalaureate (IB). The Primary Years Programme (PYP) focuses on the development of 3-12 years old students, helping them to become active, caring, lifelong learners. The most significant and distinctive feature of PYP are the six transdisciplinary themes. These themes provide opportunities to incorporate local and global issues into the curriculum and effectively allow students

Parents are active stakeholders in the teaching and learning process. Assessment is integral part of the curriculum and its function is to demonstrate and enhance teaching and learning. We assess the development and application of skills through on going assessments, Gallery Walk, Front Desk Programme, Student Led Conference and PYP Exhibition. The PYP Exhibition is the culminating event of the PYP. It requires students to analyze and propose solutions to real-world issues, drawing on what they have learned through the PYP. For students it is a process which prepares them for higher classes.

**Grade VI to VIII:** Cambridge Lower Secondary is offered along with ICSE curriculum. As we believe in all-inclusive development of students, apart from academics it is mandatory for the students to opt for a minimum of one activity each from the vast variety of indoor and outdoor activities. Indoor activities include art, craft, drama, music and dance (both Indian and Western) and yoga. Outdoor activities consist of tennis, football, basketball, swimming, horse riding, cricket and golf.

**Grade IX AND X:** Students, once again can opt for any one of the two curriculums offered by the school i.e. **ICSE (national) and IGCSE (international)**.

The CISCE conducts external examination at Year 10 for the national curriculum.

Equivalent to British GCSE, a two- year IGCSE programme is offered to grade IX and X. Cambridge International Examination (CIE) set in UK conducts the examination at the end of Grade X and the answer scripts are sent to UK for marking. The structure and content of the IGCSE syllabus is available at <http://www.scottishhigh.com/wp-content/uploads/2016/07/IGCSE-HANDBOOK.pdf>

**Grades XI and XII:** Both, **National Curriculum- ISC and International Curriculum- IBDP** are offered here.

At ISC, students can choose from any stream- Science, Commerce and Humanities. On the basis of the stream chosen students can opt for any four subjects in each stream- Mathematics, Physics, Chemistry, Biology, Economics, Computer Science, Accountancy, Commerce / Hindi, Spanish, French, History, Geography/Political Science, Psychology, Art and Physical education with English being a compulsory subject for all irrespective of the stream selected. SUPW (Socially useful and productive work) is also compulsory for all the students.

We are an authorized IB World School and impart International Baccalaureate Diploma Program (IBDP) for XI & XII. We have different set of trained teachers teaching ISC and IBDP. All of them have B Ed, Post Graduate degree in their subject with a few with Doctorate as well.

- Merit: Grade C or better in five subjects + Grade F or better in two subjects
- Pass: Grade G or better in seven subjects

**For IBDP students:** Grades are given on the basis of student's performance in Summative assessments. Report cards are issued by the school for the three semesters. Final report is issued by the IBDP at the end of the two year programme.

### **RANKINGS**

As per our school policy we do not rank our students. This helps each pupil stay motivated as there is no unhealthy competition and therefore they remain focussed on their own result. In this race for competition, students tend to run after gaining marks rather than concentrating on learning. This practice helps in creating an environment of growth as the school endeavours to create a healthy atmosphere of learning.

### **SPORTS, CO-CURRICULAR AND COMMUNITY SERVICE**

We have partnered with government and a few premier private institutes for an all-round development of our students in the area of sports agility and leadership qualities. We are an authorized NCC wing for boys and girls and have partnered with The Global Education Leadership Foundation (t-Gelf) which trains young students to cultivate leadership qualities to become leaders of tomorrow. Our students are trained by 16 full-time international level coaches for horse riding, Archery, Gymnastics, Cricket, Soccer, Basket Ball, Tennis, Swimming, Yoga, Judo, Volley Ball, Skating, Taekwondo etc.

Golf takes a full swing at Scottish High International School with its well-established 1200 square feet Golf Training Centre. Under the guidance and training of dedicated golf Professionals together with the indoor audio visual room, driving range and an artificial putting/chipping area, simulator our students practice, develop and get adept in golf skills. Archery also been an important sports in our school with many students participating and winning at the National Level.

Our teachers mentor students from classes 1 onwards on an on-going basis. A Clan Parent (teacher) is a subsidiary parent in school for the tutee under his/her charge and is responsible for the emotional, physical and overall well-being of the tutees. The main aim of dividing the students into clans is to propagate team spirit and give a competitive edge, along with the overall development of the individual. Students are encouraged to participate in various clubs and societies within school like MUN, Formula 1, Science, Robotics, Animation, Photography, legal literacy, Home science, Quilling and Dramatics. Our students participate in Robotronics Competition at the national and international level.

### **STUDENT COUNCIL**

A council by the students, for the students and of the students is a board appointed to uphold the vision and mission of the school, who could represent the school body as and when required and hence assist and facilitate the overall administration of the school. They are selected through rigorous process of interview and academic merit.

### **COUNSELING and INCLUSIVE EDUCATION**

Behavioural and Career counselling- Professionally qualified and trained counsellors hold individual as well as group session with students, teachers and parents on various academic, emotional concerns on a regular basis with yearly planner.

Career Awareness Programs are organised on a regular basis with strong support system created for College Planning and Applications for students. Various events like Expert talks, University sessions and Career Fairs of International and National universities are regular in the school calendar which is attended by students and parents are invited. Career Counselling division has taken an initiative to guide and support every student of senior grades in career planning and profile building for course-college selection.

Apart from counsellors we also have a team of Special Educators, Child Psychologist, Speech and language Therapist, Audiologist and Occupational therapist to support students with special needs. The student to teacher ratio is 2:1. All students with special needs are mainstreamed. Integrated department has special Sensory Integration Therapy Room, Sensory Room, Speech & language Room, Occupational Therapy Room and 2 Remedial Rooms where SEN students get remedial session besides therapies. Autism Research Centre officially recognized as a Scientific Research Organisation (SIRO) by Govt. of India, Ministry of Science and Technology, Department of Scientific and Industrial Research. Besides Scottish High is a **partner with Special Olympics, India.**

### **SCHOOL AWARDS FOR STUDENTS**

Every year students are awarded proficiency awards from 5<sup>th</sup> grade onwards for excellence in academics, sports, punctuality and Inter-clan activities. Every year student with excellent track record in academics is given the prestigious Abha Memorial Award. Besides, awards are also given to special needs, under privileged students of the school for their remarkable contribution.
