

Curriculum

The School offers PYP curriculum from Pre-Nursery to Class V, Cambridge Curriculum for classes VI to X, the National Curriculum (ICSE) for Class VI to X, ISC for Class XI & XII and IB Diploma Program for Class XI & XII.

Facilities

The School has state of the art facilities, fully equipped science, social science, math and language laboratories along with computer resource centres with an all-day internet access for teachers and students. It also has an auditorium, five audio-visual rooms and a multi-purpose hall for hosting expert talks and inter-intra school activities for its students along with a fully equipped library and resource room. The teaching is supported with progressive technology LCD projectors, and computers with latest softwares.

Co-curricular activities

We are an authorised NCC wing for boys and girls and have partnered with The Global Education Leadership Foundation (t-Gelf) which trains young leaders. Our students are trained by international level coaches for Horse Riding, Archery, Gymnastics, Cricket, Soccer, Basket Ball, Tennis, Swimming, Yoga, Judo, Volley Ball, Skating, Taekwondo, and more. Under the guidance of dedicated golf professionals together with the indoor audio visual room, driving range and an artificial putting/chipping area, simulator our students practice, develop and get adept in golf skills. Students are encouraged to participate in various clubs and societies within school like MUN, Formula 1, Science, Robotics, Animation, Photography, legal literacy, Home science, Quilling and Dramatics. Our students participate in Robotronics Competition at the national and international level.

Our response to Covid-19

All Formative and Summative assessments were conducted in a hybrid mode as per the academic calendar, organising remedial classes online, webinars, expert talks, and clubs. Going one step further, Scottish High took a lead to resume with the offline classes for Grade IX- XII from July 2021 onwards, following all safety guidelines. In the new 2022 session, the school has opened up offline. The examinations have been taking place in offline mode and all Clan activities and Inter-School competitions. The Annual Day, School camps, Festival Fares and more have been resumed and a sense of normalcy has come back.

All students enrol in the IB Diploma Programme, completing between 2-year long courses (3/4 x HL and 3/2 x SL), TOK, Extended Essay and CAS.

Rankings

As per our school policy we do not rank our students. This helps each pupil stay motivated as there is no unhealthy competition and therefore they remain focussed on their own result. In this race for competition, students tend to run after gaining marks rather than concentrating on learning. This practice helps in creating an environment of growth as the school endeavours to create a healthy atmosphere of learning.
